For Internet / Mail see below

FOR AGES 5 (born 2004) THRU 19 (born 1990)

During 2008 season, the total number of teams in both the boys and girls programs was over 280. We have teams in all ages in all areas of Southeast Cincinnati. We invite you to register your son/daughter. We provide an excellent recreational soccer program for over 5600 boys and girls from age 5 (born 2004) through 19 (born 1990). Players are assigned to teams based on age (8 different age divisions) and by neighborhood areas. We offer special Small Sided soccer program for boys/girls ages 5/6 (born in 2003 and 2004) and 7/8 (born in 2001 and 2002). These young players are taught a simplified game, with limited number of players using a smaller size field. Small Sided soccer provides a good learning environment for the beginning soccer. Volunteers are needed to coach, referee/ assign referees. See the bottom of this form for volunteer information.

Parent assistance is needed to support the boys and girls in our community. Please volunteer to help by checking one of the blocks below. COACHES and REFEREES are needed so the boys/girls will have the opportunity to play. Many coaches (both men and women) are new to soccer when they start coaching. We provide coaching and referee clinics to teach these skills.
